POINT IN TIME 2024

What?

An annual count of the sheltered and unsheltered members of our community.

When?

January 25 -February 1, 2024

Where?

All throughout Clallam County! Our count includes Port Angeles, Sequim, Forks, Clallam Bay, Neah Bay, La Push, Joyce, Blyn, and beyond!

Why?

The annual PIT Count helps us tell HUD and WA Commerce about the need in our county. This data helps them determine how much funding our community receives each year.
